Timers

You can set various types of timers, including a Sleep Timer, Power-On-Timer, Power-Off Timer, and Reminder Timer.

From the Time Grid, highlight a program airing in the future, press SELECT/OK, and choose Set Reminder Timer from the options. A reminder timer will appear next to the title.

The Channel Banner displays a reminder message one minute before the program starts. Press SELECT/OK to select the program.

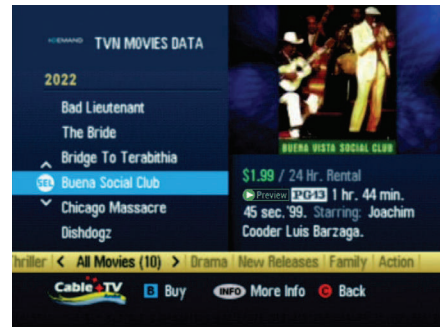

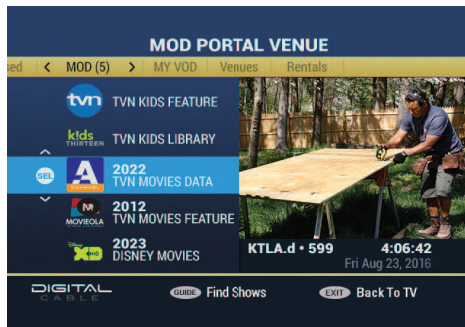

To review, modify or clear timers, press SETTINGS and A to access General Settings. Press the up or down arrow key to highlight Timers, and press SELECT/OK.

Choose from these timers:
Sleep Timer: Turn off set-top after specific number of minutes.
VCR Timer: Set up to eight timers to record programs.
Power-On Timer: Channel, day, and time that display when set-top box turns on.
Power-Off Timer: Day and time when set-top automatically turns off.
Reminder Timer: Reminders about specific programs/events.

Video on Demand

Enjoy TV shows, movies, and more! On Demand* gives you the convenience to enjoy TV on your schedule without ever having to leave the comfort of your couch.

Press MENU once to access categories such as Movies On Demand from the Quick Menu. Or you can press the On Demand button on your remote or simply tune directly to the On Demand channel.

On Demand movies are grouped by categories. You can order HD movies, new releases, and more. Select My Saved Programs to view recently purchased movies and shows.

Find a movie in seconds by navigating with the left and right arrow buttons to choose a subcategory or genre. Then use the up and down arrow buttons to choose a title. Press INFO for more information. Press B to buy. If the program description starts with "Preview," press PLAY to play a preview.

* On Demand not available in all areas. HD movies require HD setup box and HD television.

Don't just watch TV. Experience it with Passport Guide.
