# digital cable the way it was meant to be

It's time for you to discover digital cable the way it was meant to be – with convenience, variety and control. Search fast. Save time. Schedule timers with ease. Find the shows you want to watch when you want to watch them. It's time to engage your television viewing experience and enjoy every minute you spend watching TV.

## time grid

**Passport Guide's** easy-to-use **Time Grid** helps you find shows in seconds. Just press the **GUIDE** button on your remote to view 90 minutes of programming at a glance. Use the arrow buttons to navigate the grid.

Press **GUIDE** again to find shows by **Title**, **Channel** or **Theme**. Now you can **Search** smarter and quickly to find just what you want to watch.

Press GUIDE twice to search

## find shows

Find what you want to watch fast. With just 2 clicks of your GUIDE button, you can search for shows by **Title, Keyword, Channel, or Theme** to find programs about your favorite actor or topic. You can also find a list of your **Recorded Shows**.

Select 'Theme' from Find Shows

## themes

Find shows by Themes like **Series and Specials, Movies, Sports, Lifestyle** and more. Press OK to search sub-themes. Arrow right to navigate the list.

Press INFO from the Time Grid

## program info

From the Time Grid press INFO to access the **Plot Summary and Cast and Credits**. From the Cast and Credits list you can view actors and even **schedule DVR recordings**.

## quick info

Press the INFO button once to get information about the program you are currently watching.

Press INFO once

## browse

Press the INFO button twice to get a brief program description. Use the **▲ ▼** and **◀ ▶** buttons to search sub-themes. Arrow right to **browse** other channels and times without leaving the show you're currently viewing.

Press INFO twice to browse

## general settings

Press Settings then "A" to personalize your television experience. Access **Settings** to set **Favorites, Parental Control, Timers, PINs** and more.

Press Settings then "A" to personalize

# dvr

DVR puts you in control. Pause live television. Rewind and replay programs in an instant. With DVR, you can build your own personal library of programs, movies, sports, and more to watch on *your schedule*.

With DVR, you can **Pause Live TV**, show an **Instant Replay**, and even **Rewind** or **Fast Forward** programming.

- ▶ Play
- ⏸ Pause Live TV
- ⏮ Instant Replay
- ⏭ Fast Forward (3 Speeds)
- ⏪ Rewind (3 Speeds)
- LIVE** Return to Live TV

Set your DVR to **Record a Show** or an **Entire Series** right from the Time Grid. Press REC on your remote to record.

Press the LIST button to access your **Recorded Shows**. Press OK to play a program. Press A to Group Titles and press INFO for Group Options.

**Lost and Found** lets you recover\* a deleted show from the list. You can also see why a program did not record. Press LIST from Recorded Shows to access Lost & Found.

\*Based on available hard drive disc space. 1-Menu selections may vary depending on the services your cable provider offers. 2-On Demand and DVR not available in all areas. On Demand programs may not be recorded with DVR.

# video on demand

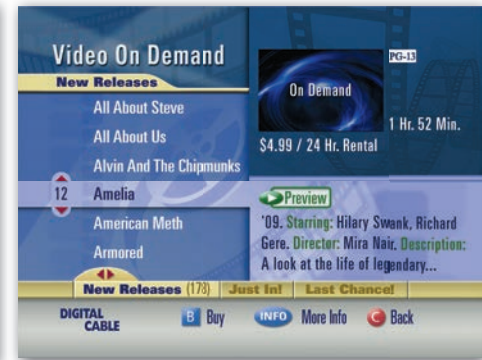

Enjoy TV shows, movies and more! On Demand\* gives you the convenience to enjoy TV on your schedule without ever having to leave the comfort of your couch.

Press MENU once to access categories such as **Movies On Demand** from the Quick Menu<sup>1</sup>. Or you can press the On Demand button on your remote or simply tune directly to the On Demand channel.

On Demand movies are grouped by **categories**. You can order HD Movies, New releases and more. Select "My Saved Programs" to view recently purchased movies and shows.

**Find a movie in seconds** by navigating with **◀ ▶** to choose a subcategory or genre, and **▲ ▼** to choose a title. Press **INFO** for more information. Press **B** to buy. Press **▶** to play a preview.

\* On Demand not available in all areas.

**Don't just watch TV. Experience it with Passport Guide.**
